14 Evidence Section 201, the Court takes judicial notice of all materials filed in this action,
15 including, motions for summary judgment, motions for certification and de-certification of the
16 Class, special action petitions, and the parties' voluminous and comprehensive joint pre-trial
17 statement.

1 the stage of the proceedings at which the settlement was achieved; the recommendation of The

14 written objections and in-court testimony of Class Members; and the Court's knowledge of the
15 legal issues and facts of this matter based upon the many substantive motions and documents
